“ *Dear Heidi; Adrian; Suzette; Otis, Jr.: I am surprised and sorry to hear about your loss. I knew your "big" brother when he was a very young child, when you mom lived across from me and my family. You are in my prayers and I will pray for you. So much loss for such young adults..... God be with you. And know, Carlos has only gone home to be with the Father.*

Adrian, I feel your pain especially since I just learned about Carlos. I should have known something was wrong when he did not return my telephone calls. I would like to know what happened, James Adkisson

“ 1. My heart and prayers go out to the Gunter family . Carlos was such a wonderful, caring and inspiring person. I must say I have never met anyone with the zeal, and love that Carlos displayed even on days he did not feel his best. I truly will miss you although I know you are in a better place smiling down at us today. You truly were my inspiration each day I came to work. Although, I am crying the tears are sorrowful yet joyous. In the short time that I knew you it seems as if it has been a life time. The many conversations we shared I know for certain that you loved God and your family. Thank you for sharing your daughter. Carlos was truly the light at Ross that shined in the darkest hours. He could make us laugh with his grand entry “WHAT UPPPPP”, he could make us think about the deep things in life, he could challenge you to do your best, and he never gave anything but his best. His determination to succeed and to see other succeed was just the way he was. I am so thankful that I had a chance to share just how much you inspire me to you. Rest in Heaven
