“ *To the entire family of Carlos. You all have my deepest sympathy for your loss. I've known Carlos since Marion Harrow Elem school in Beecher and I was really shocked to see that he had passed away. Although I hadn't seen Carlos in a while his name would come up in conversations when talking about back in the day and things that happened in and out of school that we'd never forget. Carlos will never be forgotten. He will always be the Carlos thats in the picture to me. My prayers go out to his entire family and close friends. May God Bless and keep you all-Naye*
