“ Uncle Carl,

You were the most kind and loving uncle any of us could ever ask for. Always there for everyone in our family and you will truly truly be missed by every member of our family and beyond. A true example of what it means to be honorable husband, loving brother, caring uncle, and kind friend. I will forever miss you teasing me about "repaying Uncle Cliff" every time we were together. :) The true historian of our family, you always stressed the importance of knowing our family history and sharing it with the generations to come. We will miss your smile, your laughs and most importantly the way you made us all feel so loved just being around you. I love you Uncle Carl.

“ Uncle Carl Bennie,

I can remember when I was growing up that you were helpful to your sister and brothers. I spent a lot of time with you. You took us to the circus, would babysit, took a lot of pictures, and would always tease us. I liked watching you, your sister and brothers always loving one another. Love you, your niece Dawn.

“ Carl,

You have always been a kind, caring and loving brother to me and my daughters. I will forever remember our talks during your last days and the things you shared. Your light still shines in all of us and will never go out for all those you loved and touched. I am still hearing from our family members and your friends that were not able to reach you during your illness. My heart is sad, but happy that now you are at rest in heaven with our family. I will see you again. All my love, your only sister. Diane

I am saddened that the obituary made no mention of Carl Benny's surviving brothers and sister. They are a close family unit and sadly miss their brother. Their names should have been listed as surviving family. As a first cousin I miss him too. My prayers go out to Jerry, Richard, Lawrence, and Dianne with an extra helping of love.
