“ I just found out today, April 20, 2025, that Carol passed. Our mothers were colleagues and friends at Dewey Elementary late 60's. I remember the rides out to the Connor home and this is where I met Carol, sister "Tinky" and brother Chucky. They had a horse in the coral behind the house that I tried to ride and it bucked me off...will never forget that. Carol was also a Flint musician sister that I grew up to love and admire. Rest in heaven Carol, until we meet again. God bless the family.

“ Just heard the news about Carol passing, in shock. Carol was a sweet person, always smiling with a gentle spirit. Carol could play the piano. She played gracefully. I met Carol at church, she played for our choir, at 12th Street COG. Carol will truly be missed by me and my husband and many. Rest In Peace Carol, love Ronnie and Brenda Pate.

“ Such fond and always pleasant memories of Carol. You couldn't help but smile when you were in her presence, She shared her gift of music as the pianist for our youth choir at my family's church, and quickly became a friend. Condolences to her family during this season of great loss. Much Love, Sheena

“ I have know Carol for many years as a friend, a musician at my church, and as someone who attempted to provide piano lessons to me - it didn't work out because I was terrible! I remember her smile, her patience, and her kindness. She will be missed.

“ Carol always had the biggest smile, that's what I remember most about her at my 2 years at Adelpian. We were in the class of '72. We had a lot of very musically talented classmates. She and her boyfriend Jesse Jones in school performed beautiful duets together quite often. So glad we reconnected in 2022 for our 50 yr class reunion. I'm sad to hear she is gone but we will meet up again when Jesus returns to take his faithful home. Until then Carol rip. ❤️

Carol, and Chucky were my 1st playmates back on McGregor Rd. in Mt. Morris. They were our next door neighbors. I haven't seen her in decades, but the Conners will always be a part of my life. So sad to hear of her transition.
