“ I haven't seen Carol in nearly 50 years, but I have wonderful memories of her. We were lab partners in high school chemistry class, and she was a delight to work with, When we discovered that we both went home after school and watched old reruns of the Mickey Mouse Club, it became the source of many laughs. I'm sure in heaven they are singing, “Hey, there, Hi there, Ho there - you're as welcome as can be.”
Condolences to family and friends.
