“ *Aunt Carole, I remember the time when me and my family just moved back from California to Flint, it was the summer of 1977 and I was going to be in the 9th grade; my first year at Whittier. And you took me and Myra to Kmart on Dort Hwy and bought us two matching shirts for a house party that we were going to go to later. When we got home you cooked us Tacos. You were and always will be remembered as a beautiful, giving woman. Thank you for that fond memory.*
