“ My sincerest condolences go out to your family. I have known Caroline for over 20 years. My mother-in-law Burnestyne and husband Cordell first introduced me to her and from the moment we met we created a bond. She was a very caring nurse and I put my trust in her with not only her patients but also with my mother. She will be truly missed by me. I know that she is at rest and with her other half. Caroline thank you for your friendship and your broad shoulders to cry on. One day we will meet again. Marcelle
