“ My dear friends Sonya and Trina and the entire Cowley family it deeply saddens me to hear of the loss of your mother for I have felt the same pain as you and know you loved her dearly. I recall the many afternoons I spent at your home and conversations with your mom. Remember that god makes no mistakes and look to the hills from wich cometh your help!

“ Even though we did not know your loved one personally, we are truly sorry to hear of your loss. Our condolences go out to you and your family. Often during difficult times people turn to the bible. Two scriptures that come to mind are Revelations 21:3,4 and Acts 24:15. I hope that these verses are comforting to you.
