“ Tootsie was a beautiful soul, we met over 20 years ago and even though we lost touch over the years I still remember and will be forever grateful for your friendship. I remember when my son graduated from high school and I didn't have any help for his open house. I was stressing about preparing all the food and you told me you had me, you came through and made sure everything was done and there on time! And I will never forget our bingo days, Rest easy Friend ❤️
