“ *I'm not sure if this is the correct person I knew as a kid, but if so, she has a son we called "Skate", and several other children I knew growing up in the city of Flint, if Miss Carrie has passed on I am saddened to hear of the news and my sympathies go out to the family. I am the granddaughter of Josephine Sims and she knew my grandparents and lived around the corner from one of their grocery stores in Flint back in the day.*
