“ Dear Miller Family,
I extend my sincerest condolences to the family in this time of sadness. It saddened me greatly to hear of CT's passing. Although it has been years since I last saw CT I still remember him as the little brother I never had. Since I was a regular visitor of the Miller home CT was a part of my every day life. I remember how he use to pester Teresa and I, just as little brothers should. But he was a wonderful, loving brother too. As an honorary member of the Miller family, my heart grieves along with yours as we mourn the passing of our littlest brother, CT.
With all my love and prayers
Tracy

“ To the Miller Family,
It was very sad to hear of the passing of "CT". It has been many years since I seen him or your family. But I still remember him as a kid when Teresa and myself were in JR school at Dolan. CT would hang out with us when we went to watch our sisters in the band. My prayers goes go out to your family during this trying time.

I pray that God gives your peace that surpass any understanding.

*Love,
