“ *He was the sweetest man I have ever meet. You could have conversations for hours with him. He would give anything to anyone even if he didn't have it. That man was an angel I cry every night now. Nothing could ever heal the this pain. I always told you if something ever happened to you I would follow you. But you'd always tell me you didn't want me to and live my life. But Casius my love it's hard without you. I miss every moment with your sweet face. I will never forget you. Rest in Paradise my sweet. Your kindness will never be forgotten. We all love you and miss you. I'll come visit you soon with a big blunt for us to share.*
