“ Mrs. Bronson was a very nice soft spoken woman who seemed to treat everyone fairly. In the times that I had and opportunity to work with her she would treat others fairly and did what she could. I work with her last when I was in The Even Start Program and she assisted our families with items that they may have need along with her in her group. Very sweet and kind spirited lady. Will truly miss her but her memory will continue to be in my thoughts when I think of such a beautiful flower that God taken back and place into the Heavenly Garden. Will miss you but won't forget you. My prayers go out to the family in this time of need.

“Dear Waldo, Sons, and Family:

Words can not express the sorrow and loss that we feel at the passing of our good friend (and, in Clyde's case dear "Blue Sister"). Cass was a true woman of courage, pride, compassion, dedication, and love; and, she was an inspiration to all who knew her. Her warm smile (even when she wasn't feeling her best), displayed her genuine care and concern for the well-being of others.

Truly, she will be missed. Our heartfelt prayers will go up for strength and comfort as you traverse through this difficult time. We rejoice in knowing that she is in a better place; and, that her memories will live on with us.

God bless and keep you all.

“ My deepest sympathy goes out to the entire Bronson Family... What a wonderful woman that taught so much to others.. Not enough words can express how everyone feels about Cassandra's passing...

*God looked around his Garden and found an empty place.
He then looked down upon his earth and saw your loving face.
He put his arms around you and lifted you to rest.
His Garden must be beautiful, he always takes the best.
He knew that you were suffering, he knew you were in pain.
And knew that you would never get well on earth again.
He saw your path was difficult, he closed you tired eyes,
He whispered to you "Peace be Thine" and gave you wings to fly.
When we saw you sleeping so calm and free of pain,
We would not wish you back to earth to suffer once again.
You've left us precious memories, your love will be our guide,
You live on through your children, you're always by our side.
It broke our hearts to lose you, but you did not go alone.
For part of us went with you on the day God called you home.

“ You can shed tears that she is gone
Or you can smile because she has lived.
You can close your eyes and pray that she will come back
Or you can open your eyes and see all that she has left.

Your heart can be empty because you can't see her
Or you can be full of the love that you shared.
You can turn your back on tomorrow and live yesterday
Or you can be happy for tomorrow because of yesterday.

You can remember her and only that she is gone
Or you can cherish her memory and let it live on.
You can cry and close your mind, be empty and turn your back,
Or you can do what she would want:
smile, open your eyes,
love and go on.

“ I was terribly saddened when I heard Mrs. Bronson was ill. Though I realized her illness was serious, I was stunned to hear of her loss. It seemed impossible that such a special person could pass away. She was one of the best administrators I have ever worked with. Her calm, quiet dignity were an example of what I hope to be able to emulate someday. She was always pleasant to everyone in every situation. The district and the community have lost a special treasure.

I had the pleasure of teaching Glenn briefly and observing him at school. It is a comfort to know that while Mrs. Bronson has gone on, she has left behind many of her finest qualities in her son. I will continue to hold the family and friends up in prayer.
