“ My God, I'm so at a loss of words. I've been knowing and loving you most of my life. My family met your family when I was in the 1st grade. We became family. You were so cool and fun to be around then to now. Without you, I never would have met John. He was my first real bf. Lol, your mother was such a beautiful woman as well. I was there for those pivotal moments with you all. Chris, Tessa, Shoney. I love y'all so much near or far. I've always been here and I will remain even in the background. My heart is broken for you all but know. I know this pain oh to well. Cassandra aka Lisa, you've always shown me love and treated like I was your own. You would yell at me when you saw me doing something I wasn't supposed to be doing. I honestly felt no difference between me and your biological family.

Thank you for being you!! Thank you for being the sweetest loving woman you were. You are and will forever be missed. I promise I feel like my mom passed all over again. I pray that your beautiful, loving and caring soul is resting peacefully in God's loving, healing arms. You definitely left your mark. May God bless and guide your family the way that we know you would have continued to do if you were still here in the flash. This is not a GOOD BYE, THIS IS, WE'LL SEE YOU LATER!! 😭
