“ To the Brown and Jones Family:

I love all of you guys. Your mom was a great mother and neighbor. We all as children spent some great and wonder days, evenings and nights running in and out of one another houses, playing 4 square, hide and go seek, and kick ball out front under the street light until Mrs. Brown called in the star players; Stephanie with her long legs and Suzette with her power kicks (in a skirt no doubt). We come from a time when mothers mothered their children and loved the children around them and that is what your mom did. She is now being welcomed into Glory by our friend Angela Perez, who she took to church and if she had not, would not have been saved when God called our friend home at the young age of 12. Thank Mrs. Brown for being a wonderful mother, neighbor, and Christian. ALL of Your children will miss you.
