“ *I will miss our sisterly conversations in which we shared fond memories of our childhood, and family updates. I always hated that geography made it difficult for us to visit with one another. I will always remember your kindness and generosity. You had a heart of gold. You will most certainly be missed. Condolences to your children and their families. Love Always, Demetrice.*

“ Catherine "Miss Kitty," I know absent from the body means presence with the Lord, but I will miss talking to you. You were my "Big" Sister and where ever you or I were we would talk. You were one of the few people who could out talk me and talk more stuff than me. I am sending condolences and prayers to your friends and family, which I am part of. May God rest your spirit. Love you. Peace.
