“ *I miss you so much mama. I think of you often and I find myself quoting you often. I love sweetie and I know you would find Gabby as entertaining as I do. Love always, your baby girl Mildred.*

“ *To the Mitchell Family, our hearts and prayers truly go out to you during this time. Whenever we were around Granny she made us feel like were family. She told us EXACTLY the way she wanted something done, just like she did her own children, grandchildren, and great-grandchildren. She was a POWERFUL matriarchial figure and she will be greatly missed. If you need us call us and we pray that God will strengthen and comfort you today and in the days to come. We love you.-Scott, Lissa, and the kids*
