

Master Catrelle Canada

January 20, 2005 - September 20, 2014

CANADA, Master Catrelle - age 9, passed away Saturday, September 20, 2014 at Hurley Medical Center. Family hour 10:30 a.m. Monday, September 29, 2014 from the Chapel of Lawrence E. Moon Funeral Home, 906 W. Flint Park Blvd. with funeral service commencing at 11 a.m. Interment Sunset Hills Association, G-4413 Flushing Rd. Friends and pallbearers will assemble at the funeral home 11 a.m. Monday. Master Canada will lie in state in the Chapel of Lawrence E. Moon Funeral Home and may be viewed from 10 a.m.-6 p.m. Sunday.

Our little angel, Master Catrelle Canada was to everybody exactly what they needed; which meant something different to each person. He began as a 7 pounds 7 ounces son, born on January 20, 2005 to his loving parents Aaron and Ecenyuca Canada. Master Canada was an adored brother to Jontrai Liquia, Ariya and Erin Canada, a cherished grandson to Ricky (Roberta) Newton, Sharon (Marlon) Butler, Mary Anne Alexander, and Gloria Strozier; a precious great-grandson to Vernestine Newton, Willie B. Shaw, Rayfield Canada, and Granddaddy Shorty. He was also an admired nephew to 12 aunts; Sandra (Brandon), Sharnette, Kensonya (Ronnie), Del Andrea (Jerry), Quatia, Tawana (Donnell), Roshawn (Elijah), M-Shynka (Phil), Esabia, Toadre, Tanjermeeka, and special aunt Emanuela "Vette;" Venecia, 8 uncles; Ricky (Jasmine), Quincy, Perry (Jackie), Darweshi (Nikki), Derrick, Antonio, and Marquel; and a memorable exuberant young man to a host of many more

loved relatives and friends including his special cousin Dimitric “Fatty” Wilson and best-friend Herman Williams; leaving footprints on all their hearts.

Master Catrelle Canada family and friends was blessed with him for 9 years before he earned his angel wings on September 20, 2014. His life may seem too short by many, but the quality of existence far exceeds the quantity of time in which one lives. Master Canada was a bundle of energy and enjoyed running, playing, swimming, fishing at Shay Lake, drawing, and playing video games. He also loved watching movies and TV shows and enjoyed every movie he watched with the exception of Gremlins. Besides that, he was fond of Sponge Bob but became fixated on Ninja Turtles and Dragon Ball Z; as he took pride in his knowledge about Dragon Ball Z often times feeling and saying, “I know more about Dragon Ball Z than my entire school!” Nobody denies Master Canada’s humor. For instance with the movie Gremlins, he stated, “It freaked my brain out!” Likewise, when he went to return the movie Alvin and The Chipmunks the Sequel to his grandmother, it was an empty case. So that he can make everyone laugh. Master Catrelle Canada was exceptional in whatever he did including his academics. He attended Linden Charter Academy and was a proficient student since the age of 5, meaning his was gifted young man excelling beyond his grade level. In fact, math and reading was his favorite subjects. Master Canada had the highest math scores in his entire class as he aspired to be a scientist. To say the least, he will be forever loved and will always be remember by his infectious smile and loving and caring personality.

Master Catrelle Canada was preceded in death by his great-great-grandmother, great-grandfather, uncle, and a numerous of others.

Special thanks to: Patrice Moore, Emanuela Alexander-Strozier, Demecio Braylock, Johnathan and Monisha Moore, Darweshi and Nicole Alexander, Duane and Laura Liquia, Hurley Medical Center, and Linden Charter

Academy.

“ I remember being in the same class with you in 4th grade, I still think about you often. I thank God for allowing me to experience your kindness and friendship.

“ I miss my little brother more than anything. It's been ten years now, and I still feel like the same grieving eleven year old girl. Whenever I'm down and on days like today when I feel like the pain is never ending, I come back to this thread and read all the wonderful memories people have shared. It helps me remember how truly loved and unforgettable my baby brother was and it makes me smile in moments when I feel like I can't.

Even though you probably all aren't reading this almost ten years later, I was too young before to say thank you. So, thank you!

“ *Catrelle had a great spirit, he always smiled when I saw him at my daughter's school (Linden Charter Academy). He would say, "Hi Destiny's moma". I never saw him with a frown on his face. He will be truly missed, but not forgotten. Family, trust in Jesus to comfort and strengthen you.*

“ *The loss of a child is too difficult for me to understand. I extend my heartfelt condolences to the family during this time of bereavement. I offer these words from the Bible, Mathew 19:14 (NIV) Jesus said, “Let the children come to me, and do not hinder them, for the kingdom of heaven belongs to such as these”. I pray to the Lord Jesus Christ for comfort to the family of Catrell.*

“ Earth has no sorrow that heaven can't heal. My soul is crying out for the family in their time of bereavment. All I can seem to think about is that little sweet face saying good-morning to me with a loving smile. Linden Charter wil forever have his memory embedded in our hearts and thoughts. If I had known that last Friday would have been the last time I would see Catrell, I would have hugged him tighter and never let him go.
Rest in heaven our little angel.

“ *My heart pours out to the Canada family. This will never make sense, but for nine years the Earth had a beautiful, special child. Yes, we would rather have Catrelle here with us, but for some reason it is not to be. He was smart, funny, and just perfectly amazing in every single way. I loved teaching him in second grade and will miss his hugs. Catrelle will never be forgotten!!!*
