“ To my Great Nephew,

We love you, bless you, appreciate you and thank God for you.

I am sharing the memories of us in Orlando, Fl. in 2006 at Westgate resort....remembering when we were on the paddle boats and you took Demetrius (your Great uncle for a ride). In addition, you and your Cousin Nia bonded. You took your first plane ride.

Your human body, shell is gone and your Spirit has been released for your next incarnation.

May your next incarnation be Greater and the lesson more enlightening.

Love you Great Aunt, Phyllis, and sending blessings from your cousins Che and Nia.
