“ *Sister Wheeler, (Mother)...I'm so sorry that I didn't get the opportunity to see you; to talk to you or to sing to you. I will never forget how our paths crossed. We met in a nightclub for a fashion show in 1992. You were such a beam of light...you actually lit up the darkness of that little black room where we were changing clothes. And I knew I had to meet you. The Lord shined in your smile and in your presence. It was there that I gave my life to the Lord. We never exchanged phone numbers...that was before alot of cell phones availability...at least not to me! So I searched and searched for you, prayed that God would allow me to find you and one day I was going through the yellow pages and every church I called they were closed...but then I called Full Gospel Christian Church and talked to Pastor Wheeler...he told me to come. And when I drove up to the front of the church, who do I see? It was you. You and I ran into each other's arms hugged and greeted one another. Who knew that a year later I would become your daughter in law; and become apart of the Wheeler family.*

Sister Wheeler I had such wonderful memories of you! Always smiling, always singing...Remember this? Good Morning Jesus! Nice having you here...I hear joybells because you are near...there goes my burdens, there goes my fears...Good Morning Jesus...nice having you here!

Love you always, your daughter...Sister Kim
