“ *To the Wooten Family:*

*I was sorry to hear about the passing of your loved one. Death is liken to a thief that comes and takes away our loved one. Or due to old age and sickness we lose that precious quality of life that leads to death.*

*However, have you ever asked: Is there something else after death? Or is there something else after death? The bible clears up any question we might have about death. It also shows that there is a real hope for persons who have faith.*

*Yours truly,  
Patricia*
