“ Uncle Barry and Family,
This is Gwen from University Park Subdivision!! I hope you remember, Kim, Fronie, Maryann and Me!! We were Lisa and Barry's friends! It's seems like every time you and Chantal came to Lisa's we were there! It is with awful sadness from our hearts broken to hear that your precious, beautiful Chantal has passed away! She was just kool and fun and her daddy's girl!!! Please accept our heart felt condolences for your entire family. The last time I saw her was at Lisa's services. She loved Lisa like no other!!! Lisa always referred Chantal as the daughter she should have had!!! We always enjoyed being at Lisa's when you all were there. You made us so proud to tell us that we could call you Uncle Barry, too. We will cherish our memories of our times with Chantal, and her family at Lisa and Barry's house!!! May GOD give you all the strength, courage and patience to move as best you all can through this journey of such an incredibly painful loss! He Is ABLE!!! Thanking God for giving Chantal such a wonderful family! I pray her daughter will draw comfort from all the people who knew, loved and respected her Moma!! Rest in Peace Chantal. We love You and please say Hi to Lisa 💜

“ I am so deeply saddened by the news of Chantal’s passing. Chantal was such an amazing person and friend. I met her at my first teaching job back in 2007, and we instantly connected, became great friends and shared many wonderful memories together. When my family and I moved out of town, Chantal kept in contact with me, checking in periodically on how teaching was going, how my husband and daughters were doing, and would share how she and her beautiful daughter Skylar were doing. I will miss her so very much, and will hold on tight to the memories we shared together over the years. I send my sincerest condolences to her beautiful daughter, her family, and everyone else who loved Chantal. May she rest peacefully. -Shakira Brooks Player
