“ *To Ms. Vivian: I was so sorry to hear of the home going of your mother. I just heard saturday 1-24-09. You should have called me. I though we were closer then this. But I want you to know that I'm praying for you and your family. And just remeber that earth has no sorrow that heaven can not heal. I know that you all loved mom dearly but God loved her more. And Vivian he did deliver her. It might not what we wanted but he delivered her out of the pain and suffering.*
Love you all Janet
