“ My condolences go out to the Dudley family. I appreciated having him be a big part of my education and maturing at ML King school. I did not play a sport or an instrument. Living on Taylor street, my parents made me come straight home after schhol, but I did not feel like a nerd because I would talk at lunch time and Mr Dudley would make me "GET ON THE WALL"

“ Mr. Dudley!!!! What a great man!!!! I was told to "WALL IT" so many times for running my mouth during lunch!!!! And my legs are still amazing because of all the DUCK WALKS he made me do!!!! He played such an amazing role in all of our lives.... Though he was a janitor he had more of an impact on the students MLK elementary than many of the teachers and other faculty members!!!! I thank you Mr. Dudley and I thank your family for sharing you with so many children that needed your guidance and love!!!!!!!! Natasha V. Cooper (Johnson)
