“ *Uncle Chuck you will never be forgotten. I was just thinking of you when you were my band teacher back at Holmes Junior High. We all love you Chuck.*

“ *Chuck was one of the most intelligent people that I have had the pleasure to know. My life was blessed to include one of God's special spirits and I will never forget such a wonderful person. Your students thought that you were the best thing since sliced bread; you were that and much more.*

And even though there were many miles bewteen us, Chuck remained in my heart and prayers.

I thank God for creating one who meant so much to so many.

May the family find comfort in the memories that you hold dear.
