“ My condolences to the Garrett family, and especially my old friend George!

I remember Charles from Whittier and Central HS, but he was a couple years older than us...meaning George and I, who were the same age....Flint Central class of 74’.

After reading the remembrance from Roger McDaniel, it reminded me how much Mrs. Garrett did the amazing job of keeping folks in touch with the family over the years!

“ To the Garrett family, friends and loved ones, first of all, you should know that Charles was a very dear friend of mine throughout junior high and high school. Although we were not as much in touch as adults, I did get a chance to visit with Charles during a few visits to Flint.. It was absolutely wonderful that Charles was able to join us at our 50th reunion picnic. I would like to thank Mrs. Garrett, Tracie and George for bringing him out to visit with us all. I know you all will miss him dearly. I'll never forget the look of joy on his face when he was able to sit and visit with all of his old high school friends. Please rest assured that Charles is in peace, and as long as we remember him, his presence will never leave us

Much Love to you all,
Roger McDaniel
