“ *My memories of my brother Charles are that he was a hard worker because I remember him working 3 jobs at the same time = The community center, the fish market and the auto factory. Other memories are that he loved his cars and his hats and clothes he was a sharp dresser. His car had lights in the wheel well and a raccoon tail on the antenna and it was always kept clean inside and out. My understanding is he set a record in track in high school that was not broken for decades where he got his nick-name SCOOP. One of my first jobs was working with him at the fish market. He loved to roller skate and I became a lover of skating through him. He always had a good greeting a positive word for people because that was his style. I have sooo many memories of Charles and love him dearly. I regret that I could not be there with you at this time of mourning but I celebrate his life and I pray for you all. Sincerely "Uncle Doug" from Arizona.*
