“ *It is with heartfelt sympathy that I send this condolence. I knew this day would come. We lost our mother in Flint December 1965. Every time I lose another member of our Flint family, my heart goes out to the family again. I have known Charles since our childhood at Christ Episcopal Church in Flint. He was a kind and gentle soul. I pray he has peace. I pray for peace for his brothers Wendell and Hobart. God bless you all.*

“ *Charles was part of my extended family as his mom was a mentor and friend to me. He was a loving son who cared for his mom, Helen, in her later years. He was an amazing photographer and art gallery owner in downtown Flint for many years; Harris Gallery d'Art. He was a longtime member of Christ Episcopal Church and then St. Paul's Episcopal. Charles was a quiet man who found joy in the simple things of life. He vwill be remembered. Condolences to his brothers Hobart and Wendell. Wanda*

“ *My condolences to the family for your loss. I did not know Charles, but do know what it's like to lose someone you love in death. I have been comforted by prayer, Gods holy word the Bible assures us at Romans 15:4 that it is a source of comfort. I hope this comforts you during this difficult time.*
