“ *The moment that you died my heart was torn in two, one side filled with heartache, the other died with you.
I often lie awake at night, when the world is fast asleep, and take a walk down memory lane, with tears upon my cheeks.
Remembering you is easy, I do it everyday, but missing you is heartache that never goes away.
I hold you tightly within my heart and there you will remain. Until the joyous day arrives, that we will meet again.*

I miss you so much. Love from your wife Charlotte💔
