“ My name is Robert E. Martion Jr. or little wolf as Charles would call me, and Charles was my Uncle and my favorite uncle. I have so many memories of Charles, to many to recall but I will say this, he was their for me when I was growing up, took me to McDonalds as kid, stayed the night over to house many times and basically taught me as best he could about life. Charles loved to talk about the good ol' days back in the 70's lol. I will also admit we had our differences through the years, but the love was always there. Uncle Charles I love you, I thank you for being there when I needed you the most, tell my dad I said hello, me and Clearance will honor your wishes as you have requested.
