“ To Shortie & family. I am so very sorry for your loss. We are sending our deepest condolences to you all the way from Georgia.

Charles was such a wonderful and sweet soul during his time here on earth. He loved everyone and he was loved by everyone just the same. He was always so happy and showed kindness to everyone he came in contact with. I loved this about him. He never judged people. He was just a man with a loving heart and he never wavered . I am so glad that we were able to see him during our visit home back in March. He looked so happy...even though he was going through so much at that time. I'm pretty sure that his happiness was because the love of his entire life was and had always been there for him...in sickness and in health. Loving him like a wonderful wife should and constantly taking good care of him...always even when her body was completely exhausted. Sis... you were truly a great and most loving caregiver to Charles. I know this because I've witnessed it for years. I highly praise you for all you've done for the love of your life while he was here and for sticking with your commitment to Charles and God to "love in sickness and in health". I pray that God will give you the strength needed to bring some sense of comfort into your heart. As always... I am here for you and I will ALWAYS be. I love you so much! We ALL do...Donovan and DJ.

Charles Sr. You were and will forever be my favorite brother in law. You were always so sweet and kind to me and the PLUS was.... growing up from a child to an adult and witnessing the deep and sincere love that you have always shown for my sister. Your marriage and love connection always just made my heart so happy. I pray that your spirit in Heaven will linger on for your family and that you will continue to comfort and guide them for the rest of their lives.

This is goodbye for now my sweet brother in law , but I KNOW we will see you again someday.

Love always, your sis in law, Paulette Vickers-James and Donovan

James and DJ.
