“ No words can express how I feel, for the loss of Charles, he was an old Friend and a Great guy. To Michelle, Clara, Donette and the family you have my deepest sympathy. Let God be your comforter in your time of sorrow, now until you see him again.

Charles
No more Pain, No more Suffering
God have given you rest
I want cry
I swear
I want shed a tear
for I will always keep your memories of you near
May your soul rest in peace and your spirit smile down and shine on
all of us that miss you
and I want cry
I told you
but smile, because I know you're alright.

Love your friend Kita

“ Charles was my buddy. He nicknamed me Gus and I wouldn't let anyone call me that but him. He was a special person and I'll always remember him smiling with his crooked smile. My prayers go out to the family. Be strong he's in a better place now.

Love "Gus"

“ *Reflecting back over the days of our lives bring a smile to my face and joy to my heart remembering your laughter, your meekness, and always your kindness. You were always my other little brother. I've been away so long it saddens me that I never knew you were ill until today! I know you have stepped into a better place where there is no more pain, no more sorrow, no more tears, but peace that surpasses all understanding and the Son of God shines all day. Eternal love ~ JoAnn.*
