“ *May my prayers and sympathies be with you during this time of need. Some of my most enjoyable times i shared with Gus was when we played football together at Northren, 1961 State Champs. I also recall the times Lane, Gus and I spent listening to jazz and Gus knew all the musicians on every album. While talking with him a couple of years ago i realized that Gus knew the family history of everybody in Flint. He will be missed !*

“ *So saddened by the passing of "Gus". Gus & my father have been friends for a long time and he extended that friendship to me & my husband as adults. Even after relocating to another city Gus kept in touch with us and always made an effort to see us when coming into town. He was so full of wisdom and knowledgeable on MANY subjects and such a joy to be around. You will definitely be missed but the world is a better place because you were in it! Rest Peacefully*

“ *My heart is saddened to hear of the passing of Mr. Talbert. He was such a light and example of how the love Christ should be displayed by all believers here on earth.*

Mr. Talbert was such an inspiration to young guys like me, who are working to make our community a better place. I will miss not only our discussions about local issues and concerns, but also his thoughts of wisdom and guidance. I know that he will be missed by all who knew him. Although he is absent from this physical earth, his life and legacy will live on in the lives of all in which he touched.

That God will give strength, peace, and understanding to his Family and friends, is my sincere prayer.
