“ *"CHAT"*

C-Caring person

H-Hilarious; always kept me laughing about something.

A- attentive; he would listen to what you had to say, then give his point of view.

T- Tough; he was a tough person to me because he fought this battle all the way to the end without no complaints.

I'm going to miss my uncle Chat. All the memories he left behind within us will keep his spirit going forever.

REST IN PEACE Uncle Chat
