My fondest memory of Uncle Charlie was visiting us on Crosby street when I was a little girl, he would always stop by to see my mom. He would take us for a ride and buy me and my brother and sister candy. I loved to see his car pull up in our driveway, because that meant candy for me! My mom would always come outside smiling and they would hug each other. Those were the best of times. We all love him and will miss him dearly. May God continue to bless and strengthen you Erica, we love you.

“ Hello family and friends, when I was around six years old, I asked Uncle Charlie for some of his coffee. He told me "no". When I asked "why" as all six year olds tend to do, he said "because coffee makes you black". My response was "shoot, I'm already black"! So being as cute as I was Uncle Charlie, my Dad Andrew (B), mom, and Grandma Hannah laughed at me. But, he still didn't give me any coffee. LOL....

Our memories will help us heal in time although we will never forget him, we love him and will truly miss him. Rest in peace Uncle Charlie...please give my Dad a hug for me. I love you and will see you later. God Bless You!
