“ *Charlie and my husband, Dale Neil, were best friends. They worked hard at Consumers Energy for nearly 40 years together. And they played hard with their friends in their softball league, bringing home many trophies. They had each other's back in good times and bad. They sweated and they laughed together over a lifetime. I'm sure they're playing softball in heaven with their other teammates now. With love, Marilyn Neil*

Charlie wasn't blood but he was family in every way. He had a huge, kind and caring heart. My Dad, Dale Neil, and he were the best of friends and brothers from other mothers. Charlie will be greatly missed. Charlie was always an important presence in my life. I loved him. He was my Uncle. Rest in peace. You and Dad try to stay out of trouble. I love you and will forever miss you.
