“ I met Mrs. Charlotte during a telephone conversation and we hit it off from the beginning. We would talk about different events of the world and prospects of the future. Mrs. Charlotte allowed me to call her that. I loved our conversation and such a delight to talk too. You will certainly be missed. You're definitely in God's memory. My prayers to the family with deep condolences.

“ *To Charlie Mae's family, I was really saddened after hearing of her passing. I've known her for over 50 years. I worked with her and her mom, Julia Mae at McLaren back in the early 70's. I'm gonna miss seeing Charlie Mae out in the stores shopping. That's when we would catch up on everything. She was such a beautiful and kind woman and kinda humerus, too. We laughed a lot when we talked. May the "God who gives peace " be with all of you. Sending much love and hugs to you all.*
