“ To Rhoda, Blake and Jonathan, Decades of friendship, fun, and laughter will always be cherished and remembered. We loved Charlie and we love you. Charlie's life and the spirit of who he was will never be forgotten. Who you were as a couple will never be forgotten. It hurts to lose a husband and father. Your tears are part of healing. Years from now you will still shed them. He was someone very special, but the pain will not be as great. We pray God's peace and that with time your hurt will be replaced with healing and the memories will bring you joy and laughter. Tee, Brenda and family.

“ *Rememberance: It was at Blake's wedding two years ago where I had the opportunity to finally meet Mr. Charlie Strozier. Through out my college years, I had heard numerous stories about him, and just as much; stories he would tell; passed down to his son and my best friend, Pastor Blake D. Strozier. He was definitely a man full of vigor and life experience; lessons every true father figure carries with them. I feel blessed I was about to meet Mr. Charlie and get to see the legend up close. Im certain his memory will live through his family and friends. Until we meet again, Rest In Power Mr. Charlie Strozier.*

“ To the Strozier Family:

*I was sorry to hear about the passing of your loved one. Death is liken to a thief that comes and takes away our love ones. Or due to old age and sickness we lose that precious gift of life that leads to death.*

*However, have you asked: Is death the end of I all? Or is there something else after death. The bible clears up any question we might have about death. It also shows that there is a real hope for persons who have faith.*

*Yours truly,  
Patricia*
