“ The Home-Going Celebration was beautiful Family. I so enjoyed hearing Uncle Pookie, friends and family share their memories of him. Tears of joy, knowing he is in a better place. But also tears of sadness knowing I won't physically see him right now. But one day we will see each other again. So many beautiful memories of him. He was the one who took me to my first Drive-in Movie in Flint Michigan. (We saw Coming To America) Him and my Auntie Geraldine took me to Canada for my first and last time. Oh what a wonderful and memorable time we had. I would tell everyone, I had an Uncle that reminded me of Smokey Robinson the singer. I love all of my family, but you know there are some you just have the greatest time with. And Uncle Pookie was one of them. I could actually write a book about him, but just know, he will truly be missed. RIL Uncle

*This man, was like a brother to our mama and like a uncle to my siblings & I. He was always there for us. I have too many great memories to go in detail but will speak of two. I remember our last dance at his daughter Mickey house for starters. The second is I remember when I told him mama had passed and he cried out loud. I had not ever saw him cry so that told me just how much he truly loved Margaret (mama) I held him and from that day forward I knew under all that coolness & toughness. He had a heart of gold! We will miss him dearly, but I know he is no longer suffering. We love Unc, thanks for holding us down when we needed you 🥺❤️*
