“ Charlotte is a great friend that I will surely miss. I cherish all the memories we shared, moments of nothing but laughter and endless debates that ended in nothing but love. She has definitely left her mark on this world and everyone she has touched. Very often she would ask “ Lord, why is my assignment to help the youth, why can't I get away from them?” It was simply because she had a spirit that wouldn't quit, the heart of 10 million fierce soldiers, the compassion of a mother, and the ability to not only talk the talk (and she TALKED) but walk the WALK. I will miss you dearly my friend, but this is not good bye-simply see you later. Slay in peace.
