“ I'm sorry for your loss. Losing a loved one at a young age can be so tragic. So I would like to offer you an encouraging thought. At Revelation 21:4 God's Word foretells: "God will wipe out every tear from their eyes, and death will be nor more, neither will mourning nor outcry nor pain be anymore.

“ I will miss Cherish's smile, her happy hugs and special personality. Her eyes and smile were the first things you noticed about her but her personality was what you remembered. She loved to give hugs and to be hugged. She liked helping with the younger children at church. And she was a great liturgical dancer. My prayers go out to the family, friends and those that knew her.

“ Cherish was a beautiful person inside and out. She had a sweet, nurturing personality, a quick smile, and was quick to help other students. Her last day in my 6th grade classroom we were all saying goodbye, she gave me a hug, and with that sparkle in her eye she said, "You're going to miss me when I am gone..." She was so right.

“ My hearts is heavy. Cherish was a former student of mine at Scott Elementary. She was always willing to help, whether it was other students, or a staff member. She was so sweet, caring, and had such a brilliant smile. Such an incredible young lady. My condolences to her loved ones. Her smile will forever be in my heart. Rest peacefully in your mom's loving embrace, sweet Cherish.
