“ Not a friend or family member just one of hundreds thousands around the world that was blessed hear and sing her songs she gracefully song in the 80's though I am sure she was singing long before that but that's when I heard her heavenly voice wasn't aware that she pasted away in 2009. But she is in a better place singing to our HEAVENLY FATHER the creator of those who are still able to walk on the face of our planet.. THROUGH HIS GRACE AND BLESSINGS may HE continue to bless her family and closest friends until the end of our days..

“ My family and I send our prayers up and to your family in your time of need. I'm sure you know that the Lord will give you strength that you didn't know you had. Sometimes we say why or don't understand why me, but we're only here on borrowed time. I knew Cheryl from two different sides of her family and my heart truly goes out to her loved ones. Please remember God is good all the time even in these times.

“ Chan, Cavatis and June my prayers are with you all during this very difficult time. Watching you all grow up and you all being my babies when you were growing up, it breaks my heart knowing the heartache you all are experiencing. Your mother was a beautiful woman and she instilled a lot of good in all of you. Please draw on the strength from each other and all of us who love you to help you through this time. To the entire family, my prayers are with you all and I pray that God will supply you with comfort in your times of sorrow. I love you all and will keep you all in my prayers.

“ Cavatis, please know that you and your family are in my constant prayers. I love you and and your wife (my step-daughter) very much. If there is anything at all that I can do to help ease your sorrow, you have my phone number and you know where I reside. I met your mother a number of years ago. I reflect on her beauty, honesty,fellowship, and grace. Hold onto to that. May peace, comfort and blessings be bestowed unto you,your siblings and loved ones during this difficult time of bereavement.
Love in God and Christ,
Barb.
