“ Hey Chesley. I know we weren't exactly confirmed friends but I would like to say you made every room you stepped into brighter. You were an angel on earth and now you're a real one but I am absolutely gutted to even write this. You definitely earned your angel wings and I hope you're soaring up there. Heaven got brighter when you ascended. I can only hope to see you again. Thank you so much for existing. With that being said, I bid you farewell. Soar high.

“ To the Fairhurst Family:

I was sorry to hear about the passing of your loved one. Death is liken to a thief that comes and takes away our love ones. Or due to old age and sickness we lose that precious quality of life that leads to death.

However, have you ever asked: Is death the end of it all? Or is there something else after death? The bible clears up any question we might have about death. It also shows that there is a real hope for persons who have faith.

*Yours truly,
Patricia*
