“ *First I'd like to say that I am so sorry to hear of Christeen's passing. Carolyn, Andre, Michael and the great of the family , you have my sincere prayers and condolences. This is a hard one for me. Just doesn't seem real. I'm really going to miss Chris. We called and checked on each other and shared many laughs. I can still hear her laugh and see that smile. We had many good times at work and I will always remember her chicken and dumplings. They were the best! Love you Christeen, but God loved you more. RIP always. 🙏💕*
