“ I do not know where to begin for Ms. Tolbert-Tyler. All of her kindness, love, compassion and teaching was genuine from day one. The love she displayed to her own children was displayed to anyone that crossed her path as well. We grew up with Jimmy, Dee Dee, Julie and Vann. All of the Bunche school activities, day camps, dances, rollerskating parties and any other functions that were going on, Ms Tolbert-Tyler was there. She showed physical and moral support for whomever needed it. She will talk to any one and make them feel great and when she finished talking, encouraging or laughing with them, that person would not worry of any problems.

*I am so glad, as is my family that we had a chance to share her in our lives. Some people will give you something to think about, and some will give you thoughts to remember for a lifetime. Ms. Tolbert-Tyler was the latter.*

*To the Tolbert-Tyler families, please continue your mother's legacy of being an outstanding individual. We will pray that you have strength, endurance and continued support from friends and family.*

*Much love,*

*To my onetime wife and mother of our twins Jeremy and Janae', words can not express how I feel. I will always remember the good times and your generosity. Chief among these is how you rescued and nourished me at the lowest time of my life. You are no longer suffering as to be absent from the body is to be present with the Lord. I will always remember the impact you had on my life. Rest In Heaven my Sister in Christ. I pray your strength in the Lord for family and friends. Let God massage our hearts and comfort us as only He can during this time of bereavement.*

“ *Condolences to the family in the loss of your Mother. She was one of the first neighbors that my family met when our family moved to West Stewart Ave. 45 years ago In 1970. She was a kind hearted person. She would French braid me and my sister's hair in the summer time. We played, went to school, and grew up with her children. She was always helping and teaching others, especially children. She was a fixture at Creative Expressions Dance Studio for many years helping out in any way she could. She had the absolute best sense of humor and a laugh that was infectious. She will be try missed by all that knew her. May it comfort you to know that she is now home with her heavenly Father watching over the lives of her familyand friends.*
