“ *Dear Family,*

*My husband and I were saddened to read Of the passing of your dear Mother. Mrs. Berry (Christine) and my mother were dear friends. And, while my husband was in practice, I can remember many happy hours spent talking with your mother. One thing for sure, was how much she loved all of you. I am sure I do not need to tell you your mother was a quality person. I know that time will only endear the love you feel for your mother, and that happy peaceful thoughts will remain within your hearts. I ask God's blessing of peace upon you all. Love and God Bless, Gail and Leroy Johnson*
