“ Dear Niecy, Its me Cousin Ann.

*You hv your wings simply because you are an angel indeed. You can fly as high as you want to now. Wow at least I got a chance to tell you that I love you even though I didn't get a chance to come back over to see you. I called when ever I could to check on you and Manman. We had some fun times together us three from playing board games to going to church even when we joked about how God told those crooks "I don't know why y'all trying to break in that, y'all not gon get in" And they didn't. God protected us from those wannabe intruders. Remember when we tricked Manman and told him Jason Richardson came to y'all house, and he got excited because he thought that he did? You hooked my hair up, we went Christmas shopping With Bey and Angie girls, Tony and Jaylen was born during that time, Maaan so may memories. I miss you Cuz and I love you very much. Im at a list for words really. My heart hurts really hurts. It seems like you held on to see Manman turn 21 years old. Oh and I remember how you use to do his homework with him. Man man man smh. Flew away, so fly high in the sky. Everytime I think of you I will post and say hello. Rest in peace my love rest in peace.*
