“ Chris you were such an amazing soul, I'm so blessed I have got to grow older with you. From being young in Carman to working side by side with you. We had the best laughs and I'll never forget your hugs ❤️ Working with you and Amber was the highlight of my day everyday. Each day we went in and worked our butts off together as a team. You also always made sure I never got hurt. Thank you so much Chris for being apart of my life for a few years now. Much love. Rest Easy. 💕💕

“ My condolences to the entire Smith and Moore families. Chris was a fine young man. He was always very polite and kind to me. This is really hard for me . I know that God is in control and it is his will not our will for our lives, but we must lean, trust, and depend on God. He will comfort our souls, he will give us courage , he will be a lifter of our heads. and he will give us peace. The Lord bless you and keep you make his face shine upon you and be gracious to you. The Lord turn his face toward you and give you peace.

You're a woman of strength and we pray that the Lord gives your family strength and healing. May His infinite blessings comfort you at your darkest hour. Footprints in the Sand

*One night I dreamed a dream.
As I was walking along the beach with my Lord.
Across the dark sky flashed scenes from my life.
For each scene, I noticed two sets of footprints in the sand,
One belonging to me and one to my Lord.*

*After the last scene of my life flashed before me,
I looked back at the footprints in the sand.
I noticed that at many times along the path of my life,
especially at the very lowest and saddest times,
there was only one set of footprints.*

*This really troubled me, so I asked the Lord about it.
"Lord, you said once I decided to follow you,
You'd walk with me all the way.
But I noticed that during the saddest and most troublesome times of
my life,
there was only one set of footprints.
I don't understand why, when I needed You the most, You would
leave me."*

*He whispered, "My precious child, I love you and will never leave
you*

*Never, ever, during your trials and testings.
When you saw only one set of footprints,
It was then that I carried you."*

*I love you Tonya
Moore Family*

*May Chris rest in the arms of His Lord and Savior. May he find
perfect joy in the faces of the ancestors.*

“*Chris was one of my first friends when I started working at flatrock. After a while we got close and he became family. My daughter still calls him uncle Chris to this day. He wanted that. He even introduced him self as uncle Chris. He was always the first to show up when I needed someone and the first to make me smile when I was down. Chris stuck out in a crowd, he was a special kind of person that you won't ever find anywhere else. He will be missed beyond belief.
