“ *Dear Cousins,  
I am heartbroken at the loss of my dear Uncle Chris. He was an extraordinary person, and I loved him very much. I have countless happy childhood memories of his infectious laugh and endearing smile. He was a shining example of courage, perseverance, and kindness for me in my earliest years. All of you are in my prayers for strength and comfort as you process the loss of your beloved grandfather and great grandfather. May God bless and keep you.  
Love, your cousin Pam.*

“ To the Wilson Family:

*I was sorry to hear about the passing of your loved one. Death is liken to a thief that comes and takes away our love ones. Or due to old age and sickness we lose that precious gift of life that leads to death.*

*However, have you ever asked: Is death the end of it all? Or is there something else after death? The bible clears up any question we might have about death . It also shows that there is a real hope for persons who have faith.*

*Yours truly,  
Patricia*
