“ Clara was a very nice person. She was a person that never meet a stranger. She had a great outlook on life and a great laugh about most things in life. God bless the family and Clara. To be absent from the body is to be present with the Lord. t The Brewton Family

“ To Clara Mae's family, you probably don't remember me I used to visit your home in Flint, in the 80's, she's the reason I went to Cosmetology School. We did that together, I am saddned to have learned of her passing. Sharon Brewton called me and told me the sad news. You have my deepest sympathy.
I sit here and remember the fun Clara and I had and the laughs we shared. We skipped Beauty School one Saturday to go to yard sales. Many of us have been touched by Clara's gentle heart and kind soul know the pain of your great loss.
If there is anything that I can do, please let me know.

“ *Smith family you are in our prayers. I know this is a very difficult time for you. There is nothing to compare to the lost of a mother. I can only say that you must always remember that your mother loved you and all the grandchildren and everyone else she came in contact with. Clara was a wonderful person and we will truly miss her. We love you and we will continue to keep you lifted up in our prayers.*

“ *TO THE ENTIRE FAMILY OF CLARA SMITH,
You have my deepest sympathy. I don't know if you all remember me. I met you all through my sister, Pooh (Laurie Brown). Back then, in the late 70s, Priscilla used to sing for us. During these dark hours call on God to help you through. We can offer shoulders and prayers but it's God Almighty that will pull you through in the darkest hours. May God bless and keep you, Re-Naye*
